

Technical specs

MURIA1 - MURIA1 (MURIA2VD)

Name:

CLEAR POLYCARBONATE GOGGLES - DIRECT VENTILATION

Size:

Adjustable

Colour:

Grey

Description :

Clear polycarbonate goggle. Flexible PVC frame. Direct ventilation. Textile elastic strap.

Materials:

Frame: Flexible PVC.

Screen: polycarbonate.

Weight : 60 g

Strong points:

They protect against medium energy shocks (120 m/s).

Instructions for use:

These goggles protect against medium energy shocks of particles thrown at high speed 120 m/s (270mph). Before every use, it is recommended to check the goggles carefully, and change them if damaged. Before entering a risky area, make certain that the goggles are comfortably and firmly adjusted on head.

Limits to use:

Not to be used for protection against further hazards than defined above. The spectacles, when in contact with the skin may cause allergic reactions to susceptible individuals. If this occurs leave the hazard area, remove the spectacles and seek medical advice.

Instructions for storage:

Store in the packaging provided out of direct sunlight, away from chemical and abrasive substances.

Instructions for cleaning / maintenance:

Rinse in a 1% solution of mild detergent and dry with a soft cloth. When unused, do not leave the spectacles out of their package, or do not put them near other items such as tools or other metallic objects if they are not protected.

Performances :

Comply with requirements of the European Directive 89/686, special for ergonomics, harmless, comfort, airing and flexibility and with the requirements of the European standards EN166:2001 (B - optical class 1).

- **EN166** Personal eye-protection - Specifications

1 B : Ocular Marking

B : Frame Marking
